River Valley Golf Trail

GOPHER HILLS GC ● CLIFTON HIGHLANDS GC ● RED WING GC

Welcome to the River Valley Golf Trail. We are a family of golf courses that exceeds your expectations inside and out. Our owner and leader Mr. Bill Holst has demonstrated a passion for the golf industry for many years. Mr. Holst previously owned two public golf courses, Clifton Highlands Golf Course and Gopher Hills Golf Course. He made the decision to purchase the Red Wing Golf Course formerly the Red Wing Country Club. The three courses combine for over 150 years of golf. Red Wing, Gopher Hills, and Clifton Highland Golf Courses now form the River Valley Golf Trail, a golf experience for all to enjoy. We look forward to seeing you in what promises to be a fun, exciting, and enjoyable 2017 golf season.
