

# Rocky River Golf Club

**PAR 3 HCP 17**

- 109
- 145
- 156
- 178

## Pro Playing Tips

The first Par 3 on the course, and only one on the front 9, is one of the most difficult shots all day. Club selection is vital for a green guarded by a bunker in the front, and a hazard on the right and behind. Aim for the center of the green!
