

HOLE 3

LATERAL HAZARD (RED)

If your ball is known or virtually certain to be in the hazard then you have five options

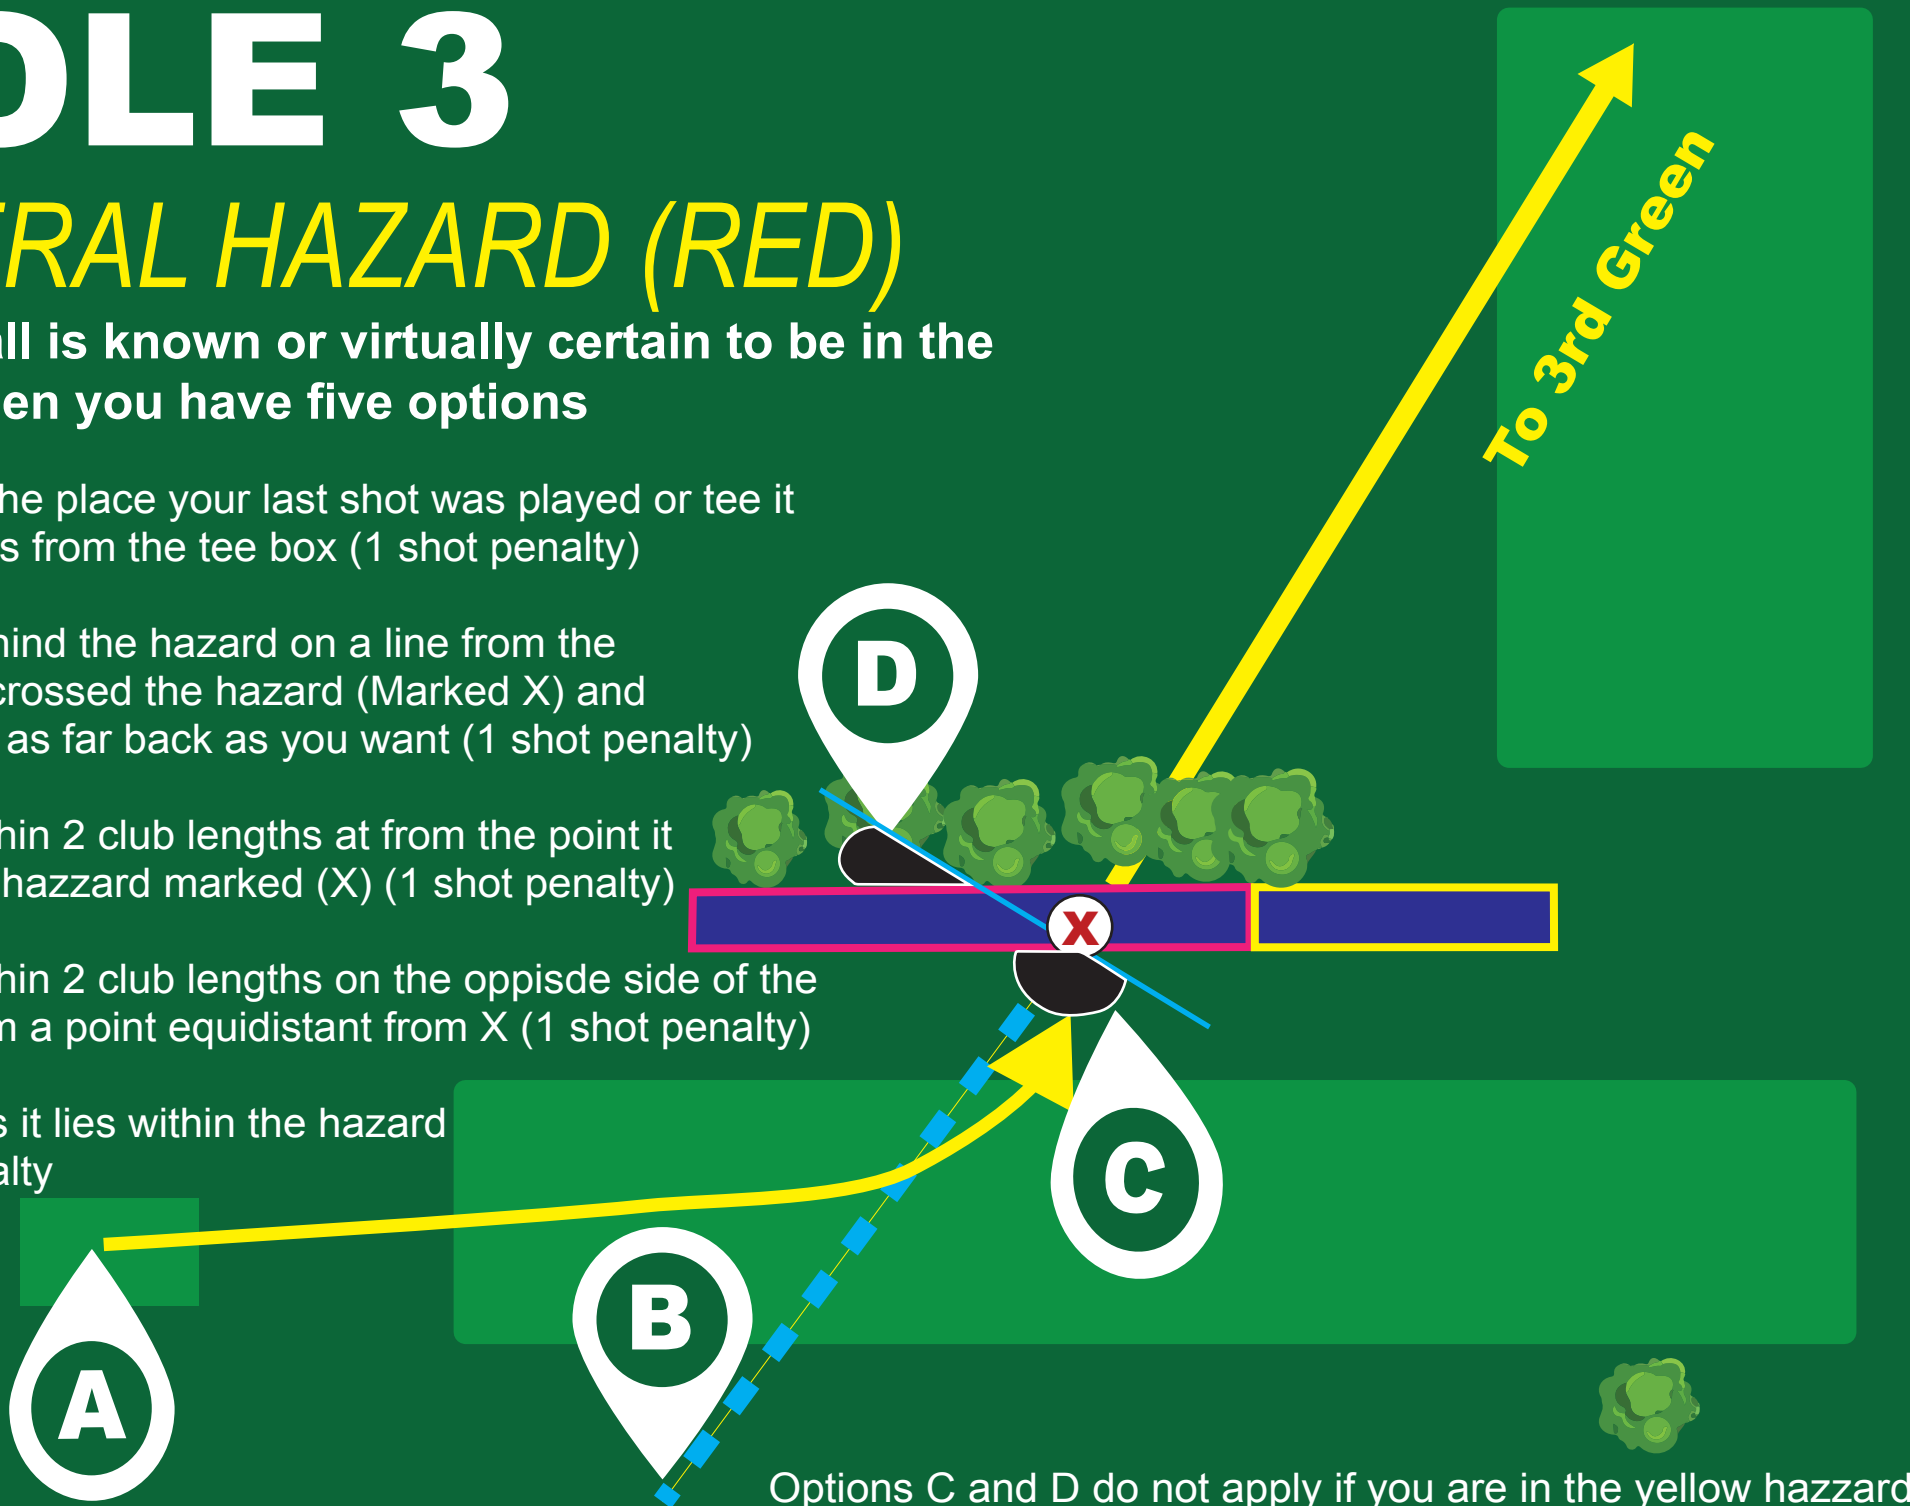

A - Drop at the place your last shot was played or tee it up if that was from the tee box (1 shot penalty)

B - Drop behind the hazard on a line from the last point it crossed the hazard (Marked X) and the flagstick as far back as you want (1 shot penalty)

C - Drop within 2 club lengths at from the point it crossed the hazard marked (X) (1 shot penalty)

D - Drop within 2 club lengths on the oppisde side of the hazzard from a point equidistant from X (1 shot penalty)

E - Play it as it lies within the hazard without penalty

Options C and D do not apply if you are in the yellow hazzard
